

PANACHE PORCELAIN CATALOGUE 2025

The Best - with Panache

The hospitality industry is a demanding sector with specific and continually evolving requirements. W&S Fine Porcelain ensures that all products meet these standards through a unique combination of premium raw materials, innovative technology, and a dedicated quality assurance team. This commitment guarantees that our offerings consistently align with industry expectations.

Dishwasher Safe

Our porcelain is fired at high temperature making it highly resistant to repeated dish washing cycles at high temperature.

Microwave Safe

Panache Porcelain products are microwave safe due to their heat resistant layer of glaze.

Thermal Shock Proof

Panache Fine Porcelain not only retains heat to keep the food warm, but also is resistant to variations in temperature.

Highly Durable

Our porcelain's high alumina content enhances strength and resists chipping at critical points.

Anti Bacterial

Our porcelain's seamless surface ensures it remains germ-free, making it ideal for maintaining strict hygiene standards.

Lead and Cadmium free

Crafted with precision, our porcelain is free from harmful substances like lead and cadmium, prioritizing your health and well-being.

Scratch Resistant

The durable glaze on Our porcelain offers excellent scratch resistance, maintaining its pristine look even after prolonged use.

Great for Presentation

With its elegant finish and timeless design, porcelain enhances the dining experience, making every meal visually appealing.

REACTIVE

iris

The IRIS tableware collection features a blend of blue tones on our elegant white porcelain tableware. This collection exudes tranquility and a sense of zen, ensuring a delightful dining experience for guests. Intricate textured patterns add a touch of sophistication to meal times.

aroma

A stack of several plates with a repeating pattern of stylized, overlapping leaves or scales. The pattern is rendered in a light beige or cream color against a slightly darker, textured background. The plates are stacked, with the top plate being the most prominent. The overall aesthetic is elegant and classic.
